EMERGENCY MANAGEMENT TASK FORCE
--

Established Resolution No. 117-00

The Genesee County Comprehensive Plan did determine that recruitment and retention of fire and emergency medical service personnel would be negatively impacted in the future due to a decline in membership as indicated by area Departments. The Legislature established a Task Force to develop a plan that would assist local departments in meeting daytime response for fire and emergency medical calls. This Task Force was established to study and evaluate recruitment, retention, and utilization of resources that presently affect emergency fire and medical services response within the county during daytime hours.
