Privilege of the Floor may be extended to citizens by the Chair of the Legislature. A person other than a County Legislator may request permission to address the Legislature on any matter to be considered at the session.

A Resolution is an item on which the entire Legislature votes. Generally, a resolution is brought before the Legislature by a Standing Committee. There are three Standing Committees: Ways and Means, Human Services, and Public Service that meet once or twice a month. Each County Department Head is responsible to a particular Committee.

When a department head has an action item, it is presented to Committee. If approved, the action item resolution is brought before the entire Legislature for a vote. By State Law, each Legislator has a weighted vote determined by population. After approval by the Legislature, the Clerk of the Legislature sends certified copies to appropriate personnel and the department head takes appropriate action. Topics and action items are discussed at length in Committee Meetings.

COUNTY MANAGER

Jay Gsell is appointed by the Legislature and is responsible for carrying out the overall administration of County Government. Specific responsibilities include overall directions and supervision of County Departments; providing input to the Legislature on policy issues and carrying out adopted policies, and preparation of and control over the County Budget.

COUNTY ATTORNEY

Kevin Earl is the legal advisor for the Legislature and every officer who is an employee of the County in all matters involving an official act of a civil nature.

CLERK OF THE LEGISLATURE

Pamela LaGrou is appointed by the Legislature and is responsible for preparing agendas for committee and Legislature meetings, handling inquiries from the public and preparing official minutes of proceedings. The office functions according to calendars and under the ever pressing need of meeting deadlines.
