Lennon, John & Son (cont)	Obit - John Lennon, 411 Lafayette Avenue, Buffalo. Contractor for the Thomas house, 35 Ross Street, description of the floor plan. Work started on Frank Thomas' handsome residence - cost \$55,000. To the JOHN LENNON & SON COMPANY has been awarded the contract for a house to be erected at #35 Ross Street by Frank Thomas, the Batavia coal dealer. A. T. McCowan Co. has started excavating work. The house will be one of the finest in the city, plans calling for a red veneer brick construction with a dark red spanish tile roof. The estimated cost is about \$55,000. There will be a three-car garage attached to the rear of the house and the depth of the house and garage together will be 133'. The house will be 44' wide. Among the unusual features will be a large billiard room extending across the front of the basement. The walls and ceiling of the basement will be finished with plaster and there will be a fireplace in the billiard room. The main entrance will be at the south side of the house, opening into a large vestibule and stair hall. The large living room across the front of the first floor will open on a closed porch. The dining room and kitchen will be at the rear and there will be a library on the north side between the kitchen and living room. On the second floor there will be the owner's bedroom and two large guest rooms with a bath adjoining each. The remainder of the second floor will be taken up with maid's quarters, linen storage, a sewing room, etc. There will be an open court between the rear of the house and the garage. The coal bin will be beneath the court and will be filled through a sidewalk manhole.	11-9-1923

Postcard from Donald V. Constable, 10813 Allegany Road, Darien Center, NY 14040 to Mr. David Hoag, 16 Oak Street, Batavia, NY 14020: If you are researching the "log cabin" at any time I can give you the following clues: In 1924 (unfortunately, I did not record the date of the entry) the Historical Society sold the log cabin to the Agricultural Society for \$800. ¶ In 1924 (Daily News 9-8-1924) the log cabin is mentioned as site of conservation exhibit at County Fair. ¶ See September 17, 1924, "Daily News", page 6, picture of log cabin - can't remember what text accompanied this picture - probably nothing of great importance. ¶ Wish I could be of more help but was glad to know the Society actually constructed this building. Sincerely, Don. DAR calls for pictures to be displayed in during Fair Week. Used as an office for Italian captives head at the Fairgrounds.
